### BRIGHTON BEACH THRIVING

PATRONAGE SO GOOD THAT AN INCREASE OF MONEY IS ANNOUNCED FOR NEXT WEEK.

Jockey Sweet Gaining Notoriety-Vervane's Luck in Steeplechase-Three Favorites Win-Black

Mary Takes Race from Besom.

New York, July 8 .- Though only two days of featureless cards have been run off, old Brighton Beach has already achieved such a remarkable success financially and otherwise that the management announced a new program for next week, which pro vides for daily purses ranging in value from \$500 to \$1,500 each, and values may be substantially increased from day to day. No race will have less than \$500 added money. It is certain that this asso ciation will make money on the meeting as a whole, if the attendance keeps up to the standard of the first two days. The Brighton road transit accommodation this season is far behind that of the previous years. Instead of being landed right at the entrance race-goers now have to get over a half mile of a rough journey to get to the main gates.

The skillful horsemanship of Sweet, a suddenly developed jockey, was the outstanding feature of today's racing. Dr. H. E. Rowell's apprentice 's racing. scored two remarkable victories, on Trash, a favorite in the fourth race, at 11 to 5, and on Black Mary, a third choice, at 6 to 1, in the closing race. races were won in the last stride of rousing finishes Thomas H. Williams of California has a great tric of jockeys, in Miller, Gilbert and Sweet, this sea-T. W. Coulter has been given second call on Sweet, who is a California born boy, sixteen years of age, and rides at eighty-five pounds.

From a speculative standpoint backers and layers retired from this afternoon's speculation about even

For a 7 to 10 chance, Vervane's victory in the steeplechase was one of the most unique on record. Hopelessly beaten from the start, Rainey's mare, after nearly two miles of what seemed unavailing endeavor, suddenly was given a chance when the two leaders put themselves out of commission by unskillful fencing and left the odds-on favorite to come home practically alone.

Trash and Takahira were the only other winning favorites to make good during the afternoon. The most pretentious race of the day was the fourth, a handicap at a mile and an eighth. Cairngorm, despite his lameness of yesterday, monopolized the bulk of support and only failed of making good because of Dugan's unnecessary hurry in the early stages of the running.

stages of the running.

The exquisite little thoroughbred, Black Mary, perhaps the smallest race horse in training and owned by Mrs. E. R. Bradley, who races under the nom de course of Mr. Currie, was the medium of a big coup in the last race. She came from a long way back to get up at the end and the finish aroused the greatest enthusiasm.

President P. J. Dwyer, of the Brooklyn Jockey Cheb left, tedes for Chewood.

Club, left today for Glenwood Springs, Colorado, where he will spend a few weeks recuperating his

Waterspeed was claimed out of Tuesday's jumping race for \$960.

A notice was posted in the paddock today that the third race programmed for next Saturday has been declared off and a jumping race for gentlemen riders substituted.

# STATUS OF NEW YORK BETTING CASES.

For the first time in a number of years a grand jury has been sworn in in Kings County to serve during July and August. Acting District Attorney Elder had announced last Friday that a grand jury would be called this week and that he would take the cases of the men arrested at the race tracks before that body.

Melville Collins, who was discharged on a writ of babeas corpus by Justice Bischoff, of the Supreme Court, last week, will be called before the grand jury and Mr. Elder will attempt to have him indicted for accepting money on a wager made on a

This is the first time in legal history that a man who has been discharged by the court on habeas corpus proceedings has been called a second time to face the court on the same offense without any change in the evidence. But Mr. Elder declared last week he would have Collins indicted and he expects to do so.

Elder also announced last Friday that he would endeavor to secure the indictment of Cone Island Jockey Club officials for furnishing informa tion to bookmakers and permitting them to do business in the race track enclosure in violation of the

ish any place" for this purpose.

In the meantime the injunction proceeding is pending before Justice Blanchard, of the Supreme Court in New York. It is hardly likely that the Kings County grand jury will do anything before this decision is handed down. It is a pivotal matter and upon it rests much of the further action of Mr.

# TAKING UP QUARTERS AT LEXINGTON.

Lexington, Ky., July 8 .- With five horses each, J. S. Hawkins and S. M. Hughes arrived from Latonia this morning. Their horses are quartered at the Kentucky Association track. J. C. Milam and Jack Baker have notified secretary Letcher that they will bring their horses tonight or tomo row. W. J. Young came home from Latonia today He will ship his string to Fort Erie. There are There are now not over forty horses at the local track.

HORSES RUNNING FAST AT WINDSOR.

Glimmer Defeats Ellicott and Equals the Track Record at a Mile and a Sixteenth.

Detroit, Mich., July 8.-There was a decided improvement in the racing at Windsor today. The card was one of the best offered at the meeting, good horses being in several of the races. Keen contests were in order, the finishes in three of the races finding the first two heads apart and fighting it out. R. F. Carman's stable furnished the only winning favorite of the afternoon, in Waterbury, which captured the sixth race. Waterbury was heavily backed away from here and his people are reported to have won handsomely over the black colt's victory. The track was probably faster than on any previous day of the meeting.

In the steeplechase Bilberry clipped a full second off the track record for the two-mile course, while Glimmer equaled the mile and a sixteenth track record by running the distance in 1:46%. The early pace in this race was very fast, the first mile being run in 1:39 flat. There was much rough riding in the steeplechase, Waterway, which was beaten out a head by Bilberry, being the principal sufferer. McClain had the mount on Waterway and he was "herded" by the white riders all the way. The last sixteenth of a mile found Bilberry and Waterway repeatedly bumping and crowding one another. Mc Clain claimed foul against the winner, but it was not allowed.

There were several arrivals from Latonia this morning. A division of W. Gerst's and George Holle's stables got in and several of Rome Respess' are expected in tomorrow.

Jockey C. Ross was the only rider that put in ar appearance from the Milldale track, but he reports that several other jockeys will be here within the few days. Barney Schreiber has first call

on Ross' services for the meeting.

Billy Myer, who has been superintending the reconstruction of the new Niagara Jockey Club's course at Fort Erie, is reported to have been forced to re linquish his position through sickness. Myer was taken sick a few weeks ago and left for his home in Streator, Ill., to recuperate.

Johnnie Blake, Fred Cook's high-class three-yearold, made his first appearance of the meeting in the fifth race, for which he was favorite. The colt showed a great turn of speed for five furlongs before he quit. He was evidently a bit short and the next time out it will take the best here to trim him. The entire Cook stable will be shipped from here to Fort Erie at the close of the meeting.

# HORSEMEN AT LATONIA IN A QUANDARY.

#### Windsor and Fort Erie the Only Havens of Refuge in Sight and Both Crowded.

Cincinnati, O., July 8 .- The Latonia track presented a deserted appearance today, despite being quarters of numerous horsemen and thei: charges. Talk of attempting to lease the track for racing purposes was again revived, but as no individual cared to assume responsibility for the movement the scheme fell flat. It is now patent that the gates will stay closed until some time in October. The feeling is still high against the management for its action in not continuing the meeting until July 18, the term allotted by the Racing Commission. It is generally supposed that the Latonia Jockey Club will again make application to the Racing Commission for dates this fall. and will insist on carrying on its race meeting with bookmakers. The failure of the Racing Commission to sanction bookmaking may then precipi tate antagonism, and the whole affair may eventually be thrashed out in the courts.

Many of the horsemen are in a quandary where to ship, as stable room at the tracks now in operation is at a premium. Telegrams from Windsor to several horsemen are to the effect that all available space within a radius of five miles is taken. The improvements now going on at Fort Erie are acting as a check to shipping there, as the track proper for the present is unfit to prepare horses on. John Keegan, who was track superintendent Latonia, left tonight for Buffalo to assume active charge of putting the Fort Eric. track into condition. Several work teams and harrows were also shipped tonight to be used at the track. Myer, who had charge of the Fort Erie track, is

reported broken in health. L. A. Cella's horses were shipped to Buffalo. come Respess and T. C. McDowell's strings will Rome Respess and T. follow as soon as available cars can be secured for their transportation.

Jockey Minder left tonight for Windsor, where he will ride until the opening of Fort Erie. Jockey Powers leaves tomorrow for the same track. Nugent Bros. of St. Louis are here in an effort

to purchase cheap horses. They dozen during the day, including Charlatan. James Arthur and Louis Tauber sent their hors to Windsor today. George Holle, C. S. Wilson and

H. R. Baker contemplate shipping to Butte, Mont. N. D. Davis will campaign Water Lake and others at county fairs for the next two months. Hughes Bros. will send Barnsdale, Beth Goodwin

and others in their string to Lexington, where they will be rested. Miller Henderson is negotiating for the purchase of their Skyo.

Judge Charles Price left tonight for Detroit, where he will rest up for some time.

Not knowing that the meeting here had been abandoned, J. P. Mayberry shipped his horses from New York, and they arrived this afternoon.

Jockey James Hogg will go to Butte, Mont.

L. C. McDowell's Ellen-a-Dale is rounding into condition and was given a fast trial today.

# STANLEY FAY RUNS A HIGH CLASS RACE.

Seattle, Wash., July 8 .- All the favorites were bowled over at The Meadows today for a change. The day was chiefly notable on account of the re turn of William Walker's good colt, Stanley Fay, to winning form. Stanley Fay's victory in the Duwamish Handicap over a good band of long-distance runners was a meritorious performance and had the effect of bringing the colt more effectively into the limelight as a prospective Derby winner. Many who were inclined to the opinion that Glorio would score an easily won victory in the Derby are now wavering in the light of Stanley Fay's feat today. winning he clipped a half second from the track record for a mile and an eighth, running the distance in 1:514. Belle of Iroquois and The Sultan were the only winners accorded substantial backing, the others receding for lack of support. The former ran an especially good race and has evidently improved vastly since coming north.

C. A. Cleal, a trainer who was with C. C. Me Cafferty in yesterday's fracas and who took sides with him, was today ordered away from The Meadows with his horses

# NEW YORK DATES TO BE RE-ARRANGED.

New York, July 8 .- A movement is on to have the schedule of racing dates so arranged as to do away with any conflict between the Saratoga Racing Association and the Empire City Racing Association. It is the intention to give Saratoga a clear meeting fifteen days instead of eleven, Saratoga, Albany, Troy, Schenectady and vicinity, through General Sanford, having appealed for a con tinuance of high-class sport in their vicinity.

There will be a meeting of the representatives of the various associations at Brighton Beach tomorrow, when it is expected that the matter will be accomplished. The schedule will be as follows: Saratoga, July 30 to August 15; Empire City, August 17 to September 4; Coney Island Jockey Club, eptember 5 to 19; Brooklyn Jockey Club, September 21 to October 3; Brighton Beach, October 5 to Octo ber 10; Belmont Park, October 12 to 24; Jamaica October 26 to November 4; Aqueduct, November ! to November 14.

# THE MAN STOOD BY THE BOY'S IDEAL.

Old China, by Avington-Derby China, which, a 10 to 1, won the \$5,000 Northumberland Plate at Newcastle June 25, cost \$750 as a yearling. She be longs to Mr. Angus Bell, a Scotsman, and is trained by James Fagan, whereby hangs a tale, which, to those who appreciate the daily and hourly romance of the turf, may be interesting. At the time that Fagan was in the heydey of his career as a jockey, Angus Bell was a small boy at school. For some reason or other young Bell made Fagan his hero, as schoolboys do make heroes, and whenever Fagar rode in a big race Bell's shilling was invested or his mount. "If ever I have any money I shall buy some race horses and Fagan shall ride them," was the vow taken by the schoolboy. The boy grew into a man, went to Australia, made money and returned

Fagan by that time had given up riding, but had set up as a trainer, which from the point of view of Mr. Bella was the same thing. He told Fagan he wanted to buy some race horses and Fagan suggested yearlings. One of two bought was Old China.

#### WHERE TO SELL KING COBALT.

Mr. Grant Hugh Browne has an abiding faith in the future of the turf, or, perhaps, he is somewhat prejudiced in favor of his black sprinter, King Cobalt.

A few days ago Charles T. Henshall met Mr Browne and the latter asked Mr. Henshall to make a fair offer for King Cobalt. Mr. Henshall has been getting together a stable to race in the west. had not considered King Cobalt particularly, but:

being bantered by Mr. Browne, he said:
"Well, I will give you \$5,000 for King Cobalt." "Five thousand dollars!" spluttered Mr. Browne. Why, my dear man, I could get 4,000 guineas for King Cobalt in England!"

Mr. Henshall had had an idea that horses were not bringing quite so much in these days as formerly, but Mr. Browne evidently had no such no

There was no sale and Mr. Henshall closed the profitless conversation by remarking to Mr. Browne: "I should think England would be a mighty good place to sell King Cobalt."—Morning Telegraph.

#### RECORDS OF OLD PIMLICO TRACK.

Pimlico, one of the oldest tracks in the United States, has never been a fast course, but it been the scene of many memorable equine battles, with horses of great fame engaged, as when a big section of the west and all the east traveled there the sensational race between Ten Broeck Tom Ochiltree and Parole. Many of its existing records are over distances seldom traveled by the horses nowadays. In the racing of this year Botanist set a new mark at five and one-half furlongs Sugar Pine at seven-eighths of a mile, and The Shaughraun equaled the former record for a mile and forty yards. Goldfleur established a new record over the two-mile steeplechase course. track records are now

#### NOTES OF THE TURF.

Future betting on the St. Leger, to be run Sep tember 9, at Doncaster, has opened in London with 5 to 1 against Signorinetta, 6 to 1 against Ebor and 7 to 1 against White Eagle.

Trainer Edward Peters has sold the sprinter, Edna Jackson, to Paul J. Rainey. Mr. Rainey purchased her to place in the stud. She is by Waterress-Arnette, and consequently a full sister to

John E. Madden will ship the two-year-olds, Sir Martin and Fayette, and the three-year-old, King James, to Saratoga. Madden will leave several for the Brighton meeting, but this trio has earned a rest before the Saratoga meeting begins.

One of the Latonia officials is credited with this statement last Monday: "The Latonia Jockey Club has decided to quit with Tuesday's racing, and the track will never be opened again if present conditions prevail in the future. The main course be cut up into building lots and the land owned out side of the inclosure will be sold to the railroad company."
